EVERYMAN THEATRE, 315 W FAYETTE ST

JOIN US OCTOBER 5 FOR ANOTHER FABULOUS #BULTINBALTIMORE PARTY

Everyman Theatre Presents: A NIGHT FOR BALTIMORE is a festive evening celebrating professional theatre and its impact in Baltimore. Join us for the Theatre's primary fundraising event hosted at our home on West Fayette Street, featuring fabulous entertainment, a silent auction, exquisite food and drinks, and dancing.

SUPPORT ARTS EDUCATION

All funds raised at this extraordinary celebration will support Everyman's education programs and community initiatives, including our residencies in schools like Higher Achievement and The Mount Royal School as well a partnership with the Department of Juvenile Services. These programs help to engage students with language learning differences, give students the tools to tell their stories, and leverage art as a social-emotional tool.

You'll also support our High School Matinee program, which has been providing students throughout Maryland free or discounted tickets and transportation to Everyman's productions since 1997; our Childcare Matinees, offering creative, convenient, and reliable childcare while their guardians enjoy a show; and our Pay-What-You-Choose program, making affordable tickets accessible to all community members. From age 3 to age 93, there is something for every student, every artist, and every person here at Everyman.
